ABOUT US

Huasu New Decoration Material private limited is a company specializing in the production of high-quality WPC wall panels and Fluted panels.

We are proud to have advanced production lines, enabling us to produce highly-qualified and high standard products. Our products are of high-intensity, rot-proof, fireproof, damp-proof, impact-resistant, sound-resistant, and easy to install and maintain. They can be used for over 30 years without aging or fading and are suitable for use in various environments such as hotels, office buildings, hospitals, schools, industrial plants, commercial buildings, restaurants, and residential homes for interior decoration.

Our team consists of more than 30 engineers and technicians specializing in developing new products to meet customers' needs. We have a wide range of product types, patterns, and colors, leading the fashion in the decoration industry.

At Huasu New Decoration Material private limited, we are committed to providing our customers with high-quality products and excellent services. We welcome you to visit our factory and look forward to working with you.

**WE PROVIDE
BEST SOLUTION**

HIGH-END

LIGHT LUXURY

HEALTH

设计，不仅是一个空间规划的过程，更是一个生活方式的演绎。
打造生活感空间，让人文与自然、艺术与生活、理想与现实浑然无际，
更强的生活感于无形中放大人们理想生活的样子。

Design is not only a process of spatial planning, but also a manifestation of lifestyle.
Creating a living space that allows humanity and nature, art and life, ideals and reality to blend seamlessly,

Create a pure color sense in the space and enjoy the purity of the space.

FAMILY EXQUISITE

Healing power is the core of warm atmosphere,
It transforms rigid architectural spaces into emotional,
human-fused spaces, telling poetic stories about home,
offering freedom and self-pleasure, as well as comfort and joy for others.

Intuitively visible colors, textures, light and shadow, and ambiance,
Talk with nature, create an experience of peace and calmness,
carrying happiness forward.

Model: W013
Name: 直纹橡木

The design separates conscious expression
and uses soft tones and warm materials to
immerse the space, affecting the
visual perception of the space.

NEW DECORATION MATERIALS

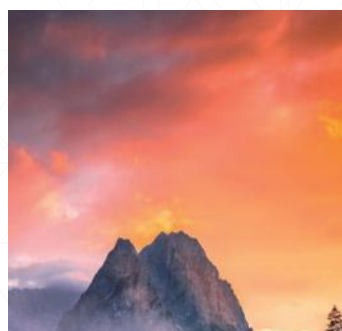

FAMILY EXQUISITE

Aesthetics is not only a way of expressing home, but also an ignition agent for spiritual life; when there is inner expectation, home becomes manifest. Whenever an inch and every foot is measured, and every breath and every rhythm is experienced, the ideal of people walking with their environment can be realized.

Lead the mind to perceive warmth, stories, and the realm of all things.

INSTALLATION METHOD

Step 1

First measure the flatness of the wall.

Step 2

Set out according to the layout with the electronic level meter.

Step 3

Cut all wall panels height according to the actual wall height.

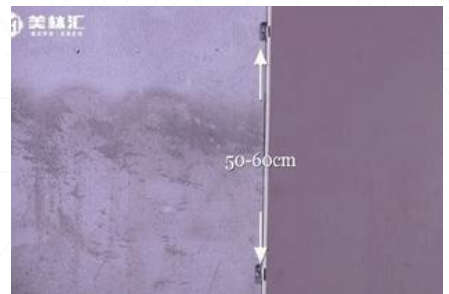

Step 4

Cut the first panel male slot

Step 5

Put the structure adhesive on the panel back side

Step 6

The distance between each two stainless clip is about 50-60cm

Step 7

Put the next wall panel according to male and female slots

Step 8

Repeat the previous method until you finish

Step 9

Final decorative effect
